THE SUPERIOR COURT OF THE STATE OF CALIFORNIA COUNTY OF SAN DIEGO

IN RE PROCEDURES REGARDING ELECTRONIC FILING

GENERAL ORDER OF THE PRESIDING DEPARTMENT ORDER NO. 010313

THIS COURT FINDS AND ORDERS AS FOLLOWS:

On August 1, 2011, the San Diego Superior Court ("court") began an Electronic Filing and Imaging Pilot Program ("Program") designed to reduce paper filings and storage, facilitate electronic access to civil court files and, in Phase Two, allow remote electronic filing ("E-File" or "E-Filing") of papers in civil cases. The ultimate goal of the Program is to create a paperless or electronic file in all civil cases, as well as in other case categories.

Phase One of the Program, described in General Order: In re Procedures

Regarding Electronically Imaged Court Records, Electronic Filing, and Access to Electronic

Court Records, involved the court's scanning of papers in newly filed cases in designated

divisions and departments (the "Imaging Project"). Phase Two of the Program is the

implementation of electronic filing by counsel and parties through the court's E-File Service

Provider.

Electronic filing under Phase Two of the Program will initially be limited to the Central Civil Division only. Probate and North County Civil Divisions of the Superior Court

are excluded from Phase Two of the Program. This General Order relates to Phase Two, and supplements General Order: *In re Procedures Regarding Electronically Imaged Court Records, Electronic Filing, and Access to Electronic Court Records.*

Permissive E-Filing will begin January 7, 2013 in predetermined non-mandated civil cases in the Central Division, and expand as resources permit. Beginning March 4, 2013, E-Filing will be mandatory in certain types of cases. Further information on these initiatives can be found on the court's website, at www.sdcourt.ca.gov.

Filing and service of documents by electronic means is governed by Code of Civil Procedure Section 1010.6 and California Rules of Court ("CRC"), rules 2.250 et seq. and CRC 2.30. In addition, the San Diego Superior Court's specific requirements for E-Filing are available on the court's website. Litigants and attorneys electronically filing documents must comply with all applicable rules and requirements.

GENERAL E-FILING REQUIREMENTS

Documents can only be electronically filed through the court's electronic service provider (the "Provider"). E-File Provider information is available on the court's website.

Any document filed electronically shall be considered as filed with the Clerk of the Superior Court when it is first transmitted to the Provider and the transmission is completed, except that any document filed on a day that the court is not open for business, or after 5:00 p.m. (Pacific Time) on a day the court is open for business, shall be deemed to have been filed on the next court day.

Pursuant to Government Code section 68150 and California Rules of Court, rule 2.504, electronic documents, whether imaged by the court or filed by the parties, are certified as official records of the court.

Additional and more specific information on electronic filing can be found on the court's website.

This Order shall expire on December 31, 2013, unless otherwise ordered by this court.

IT IS SO ORDERED.

Dated: January 3, 2013
